

LACDMH SUPPORTS AIDS WALK 2012

On Tuesday, October 9, 2012, a proclamation was given for AIDS Walk LA during the Los Angeles County Board of Supervisors meeting.

This year's AIDS Walk took place on Sunday, October 14th. Several county agencies and departments are raising money for the event, including the Los Angeles County Department of Mental Health (LACDMH) who had a team (Team #0291) of over 20 dedicated staff.

Even though the AIDS Walk has passed, the organization is still accepting donations until Thursday, November 1st.

For more information about the AIDS Walk LA, please contact team leaders Lisa Song, Roslynn Peterson or Ken Sholders.
